What risks are insured?

This insurance covers the reasonable and customary charges for medically necessary expenses for medical care or surgery that is required as part of the emergency treatment arising from a medical condition that occurs while you are travelling outside of your province of residence and protects you against situations or losses that result from sudden and unexpected conditions or events. We reserve the right, in our sole discretion, to reject applications for coverage.

These insurance benefits do not cover conditions or events that, on the date of purchase, are either known to you or are likely to occur.

The Emergency Medical and Dental insurance covers only the medically necessary expenses you incur once you have left your province of residence. In addition, the Emergency Medical and Dental insurance covers only the expenses in excess of those covered under your government health insurance plan and by any other insurance or benefit plan under which you are covered.

For more information, please see the terms and conditions within this policy.

What must you do in a medical emergency?

You or someone on your behalf must contact Allianz Global Assistance before seeking emergency treatment. Failure to call Allianz Global Assistance may result in a reduction to the amount reimbursed, or no reimbursement, for the expenses you have incurred. In addition, the medical advisors of Allianz Global Assistance must approve all medical procedures (including cardiac procedures and cardiac catheterisation) in advance.

When you contact Allianz Global Assistance, they will refer you or may transfer your call, when medically appropriate, to an accredited medical service provider within a network.

Allianz Global Assistance may also make a request for the medical service provider to bill the medical expenses covered under this insurance directly to us instead of to you. We will guarantee payments up to the amounts provided under this Policy of Insurance, if needed, to secure your medically necessary admission to a hospital.

- be covered under your government health insurance plan for the full duration of your coverage period;
- be age 84 or younger at the time the coverage is purchased;
- have completed a medical questionnaire if you are age 65 or older; and

PLEASE NOTE: You must meet all of the above eligibility requirements to be insured under this policy.

How do you become insured?

You become insured and this policy becomes an insurance contract:

- when you are named on your completed insurance application and named on your declaration page; and
- upon payment of the required premium on or before your effective date.

When does your insurance start?

Your insurance coverage under this policy begins on your effective date, which is:

- effective date means the time and date on which you leave your province, or territory of residence (using local time at your Canadian address) on or after your scheduled departure date as shown on your declaration page.

When does your insurance end?

Your coverage under this policy ends on the earliest of:

- the date your trip is cancelled when your trip is cancelled prior to your departure date;
- 23:59 on your return date shown on your declaration page; or
- upon your return to your province or territory of residence, except in the circumstances outlined under “When will your coverage be automatically extended?”

When will your coverage be automatically extended?

Regardless of your expiry date, coverage will be extended, provided:

- your entire trip falls within the coverage period; and
- your return is delayed by unforeseeable circumstances beyond your control (including the hospitalization as an inpatient or medical condition of you or your travelling companion); and
- you provide us with documentation of your reason for the delay that is satisfactory to us.

If coverage is extended for the above reasons, coverage will end on the earliest of either:

- your arrival at your province of residence or return destination based on your travel itinerary; or
- 5 days after your scheduled return date. However, if you are hospitalized as an inpatient, if medically necessary, we will extend your insurance for up to 72 hours from the time you are discharged but under no circumstances for more than 3 months from your scheduled return date.

What must you do if you decide to extend your trip?

If you decide to extend your trip you may purchase an extension of your coverage by contacting your travel insurance representative or Allianz Global Assistance:
- if you have not already departed on your trip; or
- if you have already departed on your trip, you have not had a medical condition during your trip and you call before your scheduled return date.

If you have already left on your trip and have had a medical condition during your trip, you may still be eligible for an extension of your coverage by contacting Allianz Global Assistance before your scheduled return date. The granting of an extension in this situation is subject to the approval of Allianz Global Assistance.

Any extension of coverage is subject to the following conditions:
- the total duration of your trip may not exceed the maximum number of days allowed under your government health insurance plan for travel outside of your province or territory of residence;
- you are covered by your government health insurance plan for the entire duration of the trip,

Medical Assistance Services

Medical Assistance
If you have a medical problem or emergency, you or someone on your behalf must contact Allianz Global Assistance, who will refer you to a local physician, dentist, hospital, medical facility, or other appropriate resource.

Medical Consultation and Monitoring
If you are hospitalized, Allianz Global Assistance’s medical staff will keep in contact with you and your treating physician to get information on the care you are receiving and determine the need for further assistance. Allianz Global Assistance will also contact your personal physician and family at home, if necessary.

Emergency Medical Transportation
We will arrange and pay for medical transportation services as specified below, which are required by you as a result of an injury or illness that occurs during the coverage period that requires transportation to an appropriate medical facility or return to your province of residence.

All emergency medical transportation services must be authorized in advance and organized by Allianz Global Assistance. Such transportation services not pre-authorized will not be covered.

Transportation to an Appropriate Medical Facility
If our consulting physician and the local attending physician determine that adequate treatment is not available locally and that treatment is medically necessary, you will be transported to the nearest appropriate medical facility.

Return to your Province of Residence
Once you have received emergency medical care and our consulting physician determines you are able to and recommends that you return home, we will arrange for you to return to your province of residence.

We will arrange and pay, up to the amount included in the overall policy maximum, for the following services and expenses to evacuate you to your province of residence:

- have to relocate to receive the medical attention.

Bedside Visits
If you are travelling alone and will be hospitalized during your trip as an inpatient for more than 3 consecutive days, we will pay for the cost of a round-trip economy fare on a commercial flight via the most cost-effective route, to bring a family member or a close personal friend to your bedside. We will also pay up to $150 per day (up to a total of 10
days) for that person’s reasonable accommodation, taxi fares and meals. Verification from the attending physician that the situation is serious enough to warrant the visit will be required.

This benefit is subject to pre-authorization and must be arranged by Allianz Global Assistance.

**Proof of Loss**

• Written proof of loss should be submitted as soon as reasonably possible, within 90 days of the incident date, and in no event later than one (1) year after the incident date.
• All eligible claims must be supported by receipts from commercial organizations and medical documentation regarding your treatment. Other documentation may be required or requested by Allianz Global Assistance.
• Any expenses for documentation or required reports are your responsibility.
• Incomplete information when submitting your claim will cause delay.

**General Provisions**

**Assignment**

Any benefits payable or which may become payable under this cannot be assigned by you, and the insurer is not responsible for and will not be bound by any assignment entered into by you.
Benefit Payment

Unless otherwise stated, all provisions in this policy apply to you during a trip. Benefits are only payable to you under one policy during a trip.

If more than one policy issued by the insurer is in effect at the same time, benefits will only be paid under one insurance policy; specifically the one with the highest amount of insurance.

Benefits are only payable for the plans and the specific amount of insurance selected, paid for by you, and accepted by Allianz Global Assistance acting on the insurer’s behalf at the time of application, and shown on your declaration page.

Any benefits payable do not include payment for interest charges.

Benefits payable as a result of your death will be payable to your estate.

Conformity with Law

Any policy provision that conflicts with any applicable law is hereby amended to conform to the minimum requirements of that law.

Coordination of Benefits

Amounts payable under this plan are in excess of any amounts available or collectible under any existing coverage concurrently in force and held by or available to you.

Other coverage includes but is not limited to:

- Your provincial or territorial health insurance plan of your province or territory of residence,
- Homeowners insurance,
- Tenants insurance,
- Multi-risk insurance,
- Any credit card, third-party liability, group or individual basic or extended health insurance,
- Any private or legislative plan of motor vehicle insurance providing hospital, medical or therapeutic coverage.

Allianz Global Assistance, on the insurer’s behalf, will coordinate all benefits in accordance with the Canadian Life and Health Insurance Association guidelines.

Reimbursement will not be made for any costs, services or supplies that are payable to you under a motor vehicle insurance policy or legislative plan pursuant to the no-fault benefits schedule under any Insurance Act, or for which you receive benefits from any other party under any policy or legislative plan of motor vehicle insurance, until such benefits are exhausted.

You may not claim or receive in total more than 100% of the loss caused by the insured event.

If you are retired with an extended health plan provided by a former employer, that has a lifetime limit of up to $100,000, Allianz Global Assistance will not coordinate benefits with that provider on the insurer’s behalf, except in the event of your death.

Currency

All benefit limits stated in your policy and declaration page are in Canadian dollars.

At the option of Allianz Global Assistance, benefits may be paid in the currency of the country where the loss occurred. If currency conversion is necessary, the exchange rate in effect on the date the service was supplied to you will be used.

General Terms

Insurance terms and conditions are subject to change with each new policy purchased, without prior notice, to reflect actual experience in the marketplace.

Governing Law

This will be governed by the laws of the Canadian province or territory in which you normally reside.
Language

The parties request that the policy and all related documentation be drawn in English. Les parties demandent que la présente police ainsi que toute documentation pertinente soient rédigées en anglais.

Limit on Liability

It is a condition precedent to liability under this that at the time of application and on the effective date, you know of no reason to seek medical attention.

Limitation of Action

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the Limitations Act, 2002 (for actions or proceedings governed by the laws of Ontario), The Limitations Act (for actions or proceedings governed by the laws of Saskatchewan), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the Quebec Civil Code.

Misrepresentation or Nondisclosure

Your failure to disclose or misrepresentation of any material fact, or fraud, at any time, shall render the entire contract null at the insurer's option, and any claim submitted thereunder shall not be payable.

Where there is an error as to your age, provided that your age is within the insurable limits of this policy, the premiums will be adjusted according to your correct age.

Premiums

The total premium amount is due and payable at the time of application. The premium is calculated using the most current rates on the effective date of this policy as shown on your declaration page.

Right to be Reimbursed (Subrogation)

As a condition to receiving benefits under this policy, you agree to:

• reimburse the insurer for all emergency medical and hospital costs paid under the policy from any amounts you receive from a third party responsible (in whole or in part) for your injury or illness whether such amounts are paid under a judgment or settlement agreement,

• whenever reasonable, initiate a legal action against the third party to recover your damages, including emergency medical and hospital costs paid under the policy,

• act reasonably, including in any settlement agreement, to preserve the insurer's rights to be reimbursed for any emergency medical or hospital costs paid under the policy, and

• keep the insurer informed of the status of any legal action against the third party.

Your obligations under this section of the policy in no way restrict the insurer's right to bring a subrogated claim in your name against the third party and you agree to cooperate with the insurer fully should the insurer choose to exercise its right of subrogation.

Sanctions

Benefits are not payable under this for any losses or expenses incurred due to or as a result of your travel to a sanctioned country for any business or activity that would violate any Canadian or any other applicable national economic or trade sanction law or regulation.

This will be governed by the local time of the Canadian province or territory in which you normally reside.
