<th>What Do You Need to Know?</th>
</tr>
</thead>
</table>

Are you eligible for coverage?

To be eligible for any insurance coverage you must:

- be a Canadian citizen or be a permanent or temporary resident of Canada;
- have had your application for coverage accepted and the entire required premium paid within 5 days of booking your travel arrangements; and
- be travelling no longer than the maximum number of days allowed under your government health insurance plan for travel outside of your province or territory of residence.

NOTE: You must meet all of the above eligibility requirements to be insured under this policy.

How do you become insured?

You become insured and this policy becomes an insurance contract:

- when you are named on your completed insurance application and named on your declaration page; and
- upon payment of the required premium on or before your effective date.

When does your insurance start?

Your insurance starts on the effective date if:

- you are eligible;
- you are named on the application; and
- you pay the full required premium before the effective date.

For Trip Cancellation and Interruption Coverage to be in effect we must have received all premium due prior to the trip cancellation.
When does your insurance end?

Your insurance ends on the earliest of:

- the date your trip is cancelled when cancelled prior to your departure date;
- 23:59 on your return date as shown on your declaration page; or
- upon your return to your province or territory of residence, except in the circumstances outlined under “When will your coverage be automatically extended?”

What must you do if you decide to extend your trip?

If your travel dates change before you leave your province or territory of residence contact your travel insurance representative where coverage was originally purchased to change your coverage dates.

If you decide to apply for additional coverage after you have left your place of ordinary residence, you may apply for an extension of coverage by contacting your travel insurance representative where coverage was originally purchased if you:

- purchase additional coverage prior to the expiry date; and
- are in good health; and
- have no reason to seek medical consultation during the new term of coverage.

When will your coverage be automatically extended?

Regardless of your expiry date, coverage will be extended provided:

- your entire trip falls within the coverage period; and
- your return is delayed by unforeseeable circumstances beyond your control, including the hospitalization as an inpatient or medical condition of you, (your spouse or your children if they are travelling with you) or your travelling companion.

If coverage is extended for these reasons, coverage will end on the earliest of either:

- your arrival at your province of residence or return destination based on your travel itinerary; or
- 5 days after your scheduled return date; however, if you are hospitalized as an inpatient, if medically necessary, we will extend insurance for 72 hours from the time you are discharged but under no circumstances for more than 3 months from your scheduled return date.

Can you obtain a refund?

If you notify us that you are not completely satisfied with your purchased plan within 10 days of the date of issue of this policy of insurance as indicated on your declaration page, we will provide a full refund if you have not already departed on your trip or filed a claim.

Unless otherwise stated, all provisions in this policy apply to you during a trip. Benefits are only payable to you under one policy during a trip.

If more than one policy issued by the insurer is in effect at the same time, benefits will only be paid under one insurance policy; specifically the one with the highest amount of insurance.

Benefits are only payable for the plans and the specific amount of insurance selected, paid for by you, and accepted by Allianz Global Assistance acting on the insurer’s behalf at the time of application, and shown on your declaration page.

Any benefits payable do not include payment for interest charges.

Benefits payable as a result of your death will be payable to your estate.

Conformity with Law

Any policy provision that conflicts with any applicable law is hereby amended to conform to the minimum requirements of that law.

Coordination of Benefits

Amounts payable under this plan are in excess of any amounts available or collectible under any existing coverage concurrently in force and held by or available to you.

Other coverage includes but is not limited to:

- Your provincial or territorial health insurance plan of your province or territory of residence,
- Homeowners insurance,
- Tenants insurance,
- Multi-risk insurance,
- Any credit card, third-party liability, group or individual basic or extended health insurance,
- Any private or legislative plan of motor vehicle insurance providing hospital, medical or therapeutic coverage.

Allianz Global Assistance, on the insurer’s behalf, will coordinate all benefits in accordance with the Canadian Life and Health Insurance Association guidelines.

Reimbursement will not be made for any costs, services or supplies that are payable to you under a motor vehicle insurance policy or legislative plan pursuant to the no-fault benefits schedule under any Insurance Act, or for which you receive benefits from any other party under any policy or legislative plan of motor vehicle insurance, until such benefits are exhausted.

You may not claim or receive in total more than 100% of the loss caused by the insured event.

If you are retired with an extended health plan provided by a former employer, that has a lifetime limit of up to $100,000, Allianz Global Assistance will not coordinate benefits with that provider on the insurer’s behalf, except in the event of your death.

Currency

All benefit limits stated in your policy and declaration page are in Canadian dollars.

At the option of Allianz Global Assistance, benefits may be paid in the currency of the country where the loss occurred. If currency conversion is necessary, the exchange rate in effect on the date the service was supplied to you will be used.

General Terms

Insurance terms and conditions are subject to change with each new policy purchased, without prior notice, to reflect actual experience in the marketplace.

Governing Law

This will be governed by the laws of the Canadian province or territory in which you normally reside.

Language

The parties request that the policy and all related documentation be drawn in English. Les parties demandent que la présente police ainsi que toute documentation pertinente soient rédigées en anglais.
Limit on Liability

It is a condition precedent to liability under this that at the time of application and on the effective date, you know of no reason to seek medical attention.

Limitation of Action

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the Limitations Act, 2002 (for actions or proceedings governed by the laws of Ontario), The Limitations Act (for actions or proceedings governed by the laws of Saskatchewan), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the Quebec Civil Code.

Misrepresentation or Nondisclosure

Your failure to disclose or misrepresentation of any material fact, or fraud, at any time, shall render the entire contract null at the insurer’s option, and any claim submitted thereunder shall not be payable.

Where there is an error as to your age, provided that your age is within the insurable limits of this policy, the premiums will be adjusted according to your correct age.

Premiums

The total premium amount is due and payable at the time of application. The premium is calculated using the most current rates on the effective date of this policy as shown on your declaration page.

Right to be Reimbursed (Subrogation)

As a condition to receiving benefits under this policy, you agree to:

- reimburse the insurer for all emergency medical and hospital costs paid under the policy from any amounts you receive from a third party responsible (in whole or in part) for your injury or illness whether such amounts are paid under a judgment or settlement agreement,
- whenever reasonable, initiate a legal action against the third party to recover your damages, including emergency medical and hospital costs paid under the policy,
- act reasonably, including in any settlement agreement, to preserve the insurer’s rights to be reimbursed for any emergency medical or hospital costs paid under the policy, and
- keep the insurer informed of the status of any legal action against the third party.

Your obligations under this section of the policy in no way restrict the insurer’s right to bring a subrogated claim in your name against the third party and you agree to cooperate with the insurer fully should the insurer choose to exercise its right of subrogation.

Sanctions

Benefits are not payable under this for any losses or expenses incurred due to or as a result of your travel to a sanctioned country for any business or activity that would violate any Canadian or any other applicable national economic or trade sanction law or regulation.

Time

This will be governed by the local time of the Canadian province or territory in which you normally reside.

Statutory Conditions

Contract

The application, this policy, any document (including but not limited to the completed medical questionnaire, declaration page) attached to this policy when issued and any amendment to the contract agreed on in writing after this policy is issued, constitute the entire contract, and no agent has the authority to change the contract or waive any of its provisions.

Waiver

The insurer shall be deemed not to have waived any condition of this contract, either in whole or in part, unless the waiver is clearly expressed in writing signed by the insurer.

The insurer shall, upon request, furnish you or a claimant under the contract a copy of the application.

Material Facts
No statement made by you or a person insured at the time of application for the contract shall be used in defence of a claim under or to avoid the contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

Termination
You may at any time request that this contract be terminated and the insurer shall, as soon as practical after you make the request, refund the amount of premium actually paid by you that is in excess of the short-rate premium calculated to the date of the request according to the table in use by the insurer at the time of the termination.

3. supporting medical documentation, at the request of Allianz Global Assistance.
If you do not provide the required supporting documentation, your claim will not be paid.

Failure to Give Notice and Proof
Failure to give notice of claim or furnish proof of claim within the time prescribed does not invalidate the claim if:
  a) the notice or proof is given or furnished as soon as reasonably possible, and in no event later than the limitation period set out in The Limitations Act from the date of the accident or the date a claim arises under the contract on account of sickness or disability if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed; or
  b) in the case of your death, if a declaration of presumption of death is necessary, the notice or proof is given or furnished no later than the limitation period set out in The Limitations Act after the date a court makes the declaration.

In the case of your death, the insurer may require an autopsy, subject to any laws of the applicable jurisdiction relating to autopsies. The insurer shall bear the costs of any examination or autopsy and shall provide copies of the reports of any examination or autopsy to the insured or the insured’s representative.

When Money Payable
All money payable under this contract shall be paid by the insurer within 60 days after the insurer has received proof of claim.
